

Weather continues to disrupt fixtures

Every year the weather plays a role in Spring League, in always managing to scupper a weekend last weekend Sat Feb 13 & Sun Feb 14 was almost wiped out with only 11 second round matches played and 6 first round matches. Scoring in round 2 improved by 3 shots from previous weekend with Jim Newcombe & Denis Flynn shooting 63 on Saturday and Jim McLoughlin & Martin Talbot matching it on Sunday, with Flynn & Newcombe improving their score by 15 shots on round 1. Pat King & Joe Bruen improved their score by 1 and look safe to top Group 7. Paul O'Brien & Anthony McHugh also improved their first round score by 3 to 68 and secure a place in final.
