## FRIDAY MAY 14<sup>th</sup>

- **LADIES CENTENARY OPEN DAY  
SPONSORED BY MURTAGHS BAR**

"Ohhh what a night..." This was certainly one of those occasions that we will all be talking about for years. The buzz, the energy the feel good factor and of course the great turnout to mark 100 years of Ladies Golf at Carrick on Shannon Golf Course. Bob Conway, well-known DJ from Today fm got the party mood off to a great start. With a great mix of Karaoke and Disco from the 70's right up to today the atmosphere was electric!!

Before the night there was of course the day.

Lady Captain Mary Menton put so much work in to preparing for this momentous event, which saw the dream of last years Lady Captain, Helen Martin, of having 100 Ladies play the course become a reality. Mary's determination to make this a memorable and enjoyable occasion along with her enthusiasm, hard work and great organisational skills really paid off. On the day itself this number was surpassed with an amazing 138 Ladies from the club itself and clubs all over the country turning out. Highlights of the day itself include Lady Captain Mary Mentons mouth-watering brown bread, delicious lunches from the kitchen of Danny and his fantastic team, the great condition of the course thanks to Noel and his team, Pam racing around in her buggy, Chris ensuring all was running smoothly, Siobhan ensuring all scores were correctly recorded and of course all who helped out on the day. Sincere thanks must also go to Joe O'Gorman from Murtagh's Bar who sponsored and presented the fabulous prizes and to Coxes Pharmacy for donating the beautiful hampers and to the photographer on the night Brian Duignan.
