MARY MENTON-LADY CAPTAIN'S PRIZE

Sunday 4th July Lady Captain-Mary Menton's Day will go down in the annals of Carrick-on-Shannon Golf Club for many reasons - the great turn out , the weather and not least the premier performance of the Carrick Golf Club "Drama Society".

Lady Captain Mary Menton provided us with yet another truly memorable day and night. The course thanks to Noel and his team was in perfect condition and despite extremely blustery conditions there were some excellent scores. As always Mary went to great trouble to ensure the day went smoothly. From tea, coffee and scones to set us off, lovely goody bags to keep our strength up, and to ensure we stayed the course delicious strawberries and cream at the halfway point! Congrats and very well done to Brenda Kelly and all the other winners who certainly showed they weren't to be swayed by a mere storm!

A good day deserves a great night, and we certainly had that. The night kicked off with a mouthwatering buffet from Danny and his team. Following speeches and the presentation of really lovely prizes, it was a wonderful night of Traditional Music, Song and Dance in the company of Deasun Lyons. There was also an absolutely hilarious performance from Carrick Golf Club "Drama Society" in Mary's honour! Be sure to have a look at the picture gallery. If pictures not yet up they will be in next few days..

LADIES CENTENARY OPEN DAY

SPONSORED BY MURTAGHS BAR

“Ohhh what a night.....” This was certainly one of those occasions that we will all be talking about for years. The buzz, the energy the feelgood factor and of course the great turnout to mark 100 years of Ladies Golf at Carrick on Shannon Golf Course. Bob Conway, well known DJ from Today fm got the party mood off to a great start. With a great mix of Karaoke and Disco from the 70's right up to today the atmosphere was electric!! Before the night there was of course the day. Lady Captain Mary Menton put so much work in to preparing for this momentous event which saw the dream of last years Lady Captain, Helen Martin, of having 100 Ladies play the course become a reality. Mary's

determination to make this a memorable and enjoyable occasion along with her enthusiasm, hardwork and great organisational skills really paid off. On the day itself this number was surpassed with an amazing 138 Ladies from the club itself and clubs all over the country turning out. Highlights of the day itself include Lady Captain Mary Mentons mouthwatering brown bread, delicious lunches from the kitchen of Danny and his fantastic team, the great condition of the course thanks to Noel and his team, Pam racing around in her buggy, Chris ensuring all was running smoothly, Siobhan ensuring all scores were correctly recorded and of course all who helped out on the day. Sincere thanks must also go to Joe O’Gorman from Murtaghs Bar who sponsored and presented the fabulous prizes and to Coxes Pharmacy for donating the beautiful hampers and to the photographer on the night Brian Duignan.
